## Thank you, Aron, for all your help and guidance.

## Performance Notes:

Pedaling: The piece is to be performed using the pedal according to the performers individual taste. However, clarity of the piece is the priority.

## Repeats:

-When repeats are present, the desired number of repeats is stated above the passage. In some cases, only a general range of repeats is given, and it is left to the performer's discretion as to the exact number of times the repeat should be taken.
-Dynamics within repeats should be repeated as well.
